The Property

CENTRO MIRAFLORES is an exceptional commercial building of 2133 square metres located in the prestigious Miraflores development, Mijas Costa, Malaga Spain. Its ideal location between the popular towns of Fuengirola and Marbella, next to the national coastal highway N340, and close to the Calahonda exit on the motorway between Malaga and Cadiz.

CENTRO MIRAFLORES is a freehold property built on a land area of 2570 m². The construction was completed in 1989. The 2133 m² building and finishing is of the highest standard and consist of 25 premises of various sizes, each with its individual property register number.

CENTRO MIRAFLORES two storey building with a 4 storey tower is fully furnished and equipped providing facilities for sales exhibition, meetings and conferences as well as administrative and service offices together with ample parking areas.

The building license for CENTRO MIRAFLORES was approved by the Municipality of Mijas under number 109/83 and the complete freehold property is registered in the land registry of Mijas under number 37.881. The planning permit allows for the construction of a further 1200 sqm., with an overall maximum height of 3 floors. The present building structure foresees this possible extension.
